

# CUSTOM HOMES DESERVE CUSTOM DETAILS

## WHY CHOOSE MID-ATLANTIC STEEL FABRICATION? CUSTOM RESIDENTIAL STEEL WORK DONE RIGHT.

At Mid-Atlantic we love a challenge. From custom designed stairways to large production runs of steel components and one-off parts for machine shops, no project is too big or too small.

Decades of experience in laser-cutting and steel-fabrication combined with the advantages of CAD and CNC technology make Mid-Atlantic your choice for custom steel work. Our goal is to perform your custom work right the first time while delivering a superior product on-time and on-budget without sacrificing quality or service.

Let us help you achieve your design goals.

## OUR MOST POPULAR CUSTOM BUILD PROJECTS

- Railings
- Driveway Gates
- Custom Metal Stairs (spiral, spine, floating, etc.)
- Custom Hand Hammered Wrought Iron Home Accents
- Fencing & Property Gates

## IF YOU CAN ENVISION IT. WE CAN CREATE IT.

Make a statement with your residential projects. From custom metal stairs and railings to wrought iron works and decorative metal fabrication — if you can dream it up, we can make it happen. Our custom craftsmanship and design, combined with top of the line equipment allows us to create just about anything you can imagine. We will work with you to bring your metalwork ideas to life.
